- Extra large 2.0L capacity serves up to 14 people
- Easy to remove inner pot thanks to stay cool handles

Highlights

5-layer golden pot

Copper Outer Coating: helps to retain heat, keeping the rice warm and fresh 2. Protective Resin: protects the alloy making the pot firmer and more durable 3. Extra Thick Alloy: Evenly conducts heat to ensure that every single grain of rice is boiled and cooked throughout, giving you the desired texture 4. Champagne Gold Base: spreads the heat throughout the whole pot during cooking so the rice is fluffy and tastier 5. Super Rigid Crystal Coating: non-stick and anti-scratch for easy cleaning and enhanced durability

Non-stick coating

High gloss non-stick coating by Whitford for easy cleaning

Evenly cooking

Outer layer contains copper element for even cooking

Smart 3D heating system

Smart 3D heating system cooks the rice from all directions, delivering great tasting rice grain by grain

Automatic keep warm

Keep warm function automatically starts to work after rice is cooked and ensures your rice remains hot and fluffy for up to 48 hours

Extra thick alloy

Extra thick alloy ensures every grain is cooked perfectly

Enhanced design inner lid

Enhanced design removes foam and prevents overfow

Fully detachable inner lid

Fully detachable inner lid for easy cleaning. The inner lid also encompasses a unique design that can efficiently remove foam and prevent overflow during cooking

Extra Large capacity

Extra large 2.0L capacity, ideal to serve up to 14 people

Stay cool handles

Easy to remove inner pot thanks to the specially designed stay cool handles
