Highlights

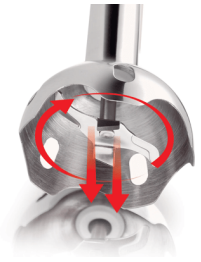
16 speeds and turbo

With 16 speed settings you can select the optimal speed for all types of ingredients, creating the preferred consistency or the smoothest blending results.

Turbo button

For the toughest ingredients.

Double action blade



The double-action blade of the Philips hand blender cuts horizontally and vertically.

Chopper accessory

Chopper accessory to chop onions, cheese and more.

Soft touch grip and buttons

The soft touch grip and buttons provide comfort when using the product.

Detachable stainless steel shaft

1-l beaker

With the 1-l beaker you can measure the ingredients for your recipes, but also quickly blend soups, purees or shakes.

Anti-splash blade guard

The special wave shape in the bottom part of the hand blender blending bar guarantees no splashes or mess while you blend.

Powerful 650-W motor

650W
