GC8350/02

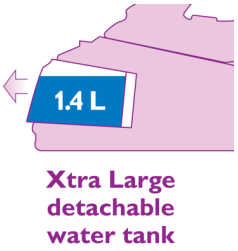
Highlights

Up to 5 bar pressure

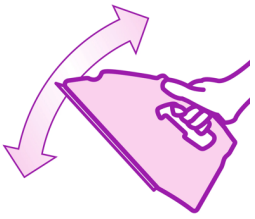
The more steam, the faster the ironing. Consistent powerful steam is generated which penetrates deep inside the garments making ironing both faster and better. Steam power can be regulated to suit your needs.

Detachable water tank



To make ironing effortless you need a lot of steam. High steam output means a lot of refilling. The extra-large 1.4 l water tank reduces the need for refilling.

Lightweight



The iron is only 1.2 kg making ironing easy and effortless.

Continuous steam

The more steam, the faster the ironing. The unique technology in a Philips steam generator iron generates powerful steam making ironing easier, better and faster.

Eco-setting

Save 20% energy and 40% water consumption by selecting the eco-setting on your Philips Iron. The eco-setting offers the most energy efficient way to obtain perfect ironing results.

Anti-calc Tablets

Permanent anti-calc tablets delay the formation of scale build up ensuring better protection for your system iron

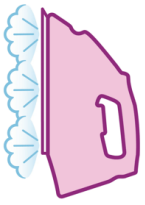
Steam boost up to 220 g

The steam boost can be used for vertical steaming and tough creases.

SteamGlide soleplate

The SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistance, glides excellently and is easy to clean.

Vertical steam



This Philips iron has a vertical steam function, for crease removal in hanging fabrics.
