- Dishwasher-safe parts
- Perfectly crushed ice and tough ingredients, 2 x faster

Highlights

2-year warranty

Enjoy a 2 year worldwide warranty on our Philips 5000 Series Blenders — which is our guarantee of long-lasting quality and operation.

Powerful 800-W motor

Powerful but energy-efficient 800 W motor for balancing power efficiency and perfect blending results. Designed to maximise the performance of the ProBlend Crush technology.

Large-capacity glass jar

The large 2 L jar of this 1000W blender has a working capacity of 1.5 L for deliciously blended smoothies to share with the whole family or save for later

Large ribbed glass jar

The innovative ribbed glass jar design of the Philips Pro Blend Crush ensures the optimal flow of ingredients for the finest blending results.

3 speed settings

Our control dial is moulded with a non-slip grip, so you can easily control the blender speed. From gentle blending for soft fruits to a burst of power for harder fruits and vegetables, it's up to you with our manual speed control.

Pulse function

Blend your mixes thoroughly smooth by using the handy pulse control — so all the bits and pieces are brought down to the blades for another round of fine blending.

EasyClean

Its removable blade unit is designed for more thorough cleaning. All detachable parts are also dishwasher safe.

Dishwasher-safe parts

All detachable parts of your Philips 5000 Series blender are dishwasher safe.

ProBlend Crush Technology

ProBlend Crush technology turns the toughest ingredients into the finest smoothies twice as fast. Our unique 6 star blades in combination with our efficiently designed 800 W motor crush ice and big pieces to perfection.
