

Philips
Ceiling light

32015/11/16

Freshen up with beautiful natural light

Like three glasses on a tray, the Philips myBathroom Aloe ceiling light brings refreshing clarity to your home. Its glass diffuser and chrome base paint a sleek profile, as the bright and accurate light makes grooming more enjoyable.

Benefits

Designed for your bathroom
- True skin colour with high-quality light
- IP21, perfectly suited for your bathroom

Sustainable light solutions
- Warm white light
- Philips bulb always included
- Adjustable light intensity with dimmer switch
- Energy saving

Features

True skin colour

This Philips bathroom light makes colours reflect in a natural and accurate way, just the way the sun would do.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while

those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Philips bulb always included

High-quality Philips EcoClassic energy-efficient light bulbs are included in the box for achieving the best light effect.

Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included).This makes the light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

IP21 - bathroom-safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP21: it is protected against dripping water.

Specifications
