Highlights

True skin colour

This Philips bathroom light makes colours reflect in a natural and accurate way, just the way the sun would do.

High quality LED light

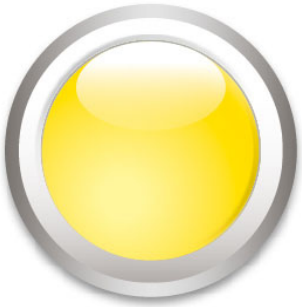

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

IP23 - bathroom-safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP23: it is protected against spraying water and ideal for bathroom use.

Specifications

Design and finishing
- Material: synthetics
- Colour: matt chrome

Extra feature/accessory incl.
- Dimmable
- 5 year warranty on the LED module

Product dimensions and weight
- Length: 14.6 cm
- Width: 14.6 cm
- Net weight: 0.370 kg
- Recessed distance: 5.4 cm
- Cut out length: 13 cm
- Cut out width: 13 cm

Technical specifications
- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 3
- Wattage bulb included: 2.5 W
- Light colour: cool white
- Total lumen output fixture: 570 lm
- Fixture dimmable
- LED
- Lifetime up to: 15,000 hrs
- IP code: IP23, protection against objects bigger than 12.5 mm, protection from sprayed water
- Class of protection: II - double insulated
- Light source equivalent to traditional bulb of: 20 W

Service
- Warranty: 5 year(s)

Packaging dimensions and weight
- Height: 17.8 cm
- Length: 17.3 cm
- Width: 7.3 cm
- Weight: 0.600 kg

Miscellaneous
- Especially designed for: Bathroom, Functional
- Style: Contemporary
- Type: Recessed spot light

Issue date 2017-03-27
