Power with precision

Super-steam, super-glide iron

- SteamGlide soleplate is Philips' premium soleplate
- 2400 Watt enables constant high steam output
- 130 g steam boost to remove stubborn creases easily
- Extra long 3 m cord for maximum reach
- Steam tip allows you to have steam in hard-to-reach areas
- Drip-stop system keeps your garments spotless while ironing
- Double Active Calc System prevents scale build-up

Highlights

SteamGlide soleplate

The SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistance, glides excellently and is easy to clean.

2400 Watt

2400 Watt enables constant high steam output.

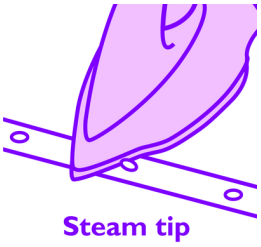
Steam boost up to 130 g

The steam boost can be used for vertical steaming and tough creases.

Extra long 3 m cord

With the extra-long 3-m cord of your Philips iron, you can easily reach right up to the edges of your ironing board - and further!

Steam tip



The unique steam tip of this Philips iron combines a particularly pointed front of the soleplate with special elongated steam slots in the tip to reach right into the smallest and most difficult areas for the best ironing results.

Drip-stop system

Your Philips steam iron's Drip-Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Double Active Calc System

The Double Active Calc system of your Philips steam iron prevents scale build-up through anti-scale pills and an easy-to-use calc clean function.
