Highlights

True skin color

This Philips bathroom light makes colors reflect in a natural and accurate way. Just the way the sun would do.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Always a Philips bulb included

High quality Philips light bulbs are included in the box to achieve the best light effect.

Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included).This makes this light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

IP21 - bathroom safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP21: it is protected against dripping water.

Specifications

Design and finishing
- Material: aluminium, glass
- Color: white

Extra feature/accessory incl.
- Dimmable

Product dimensions & weight
- Height: 12.7 cm
- Length: 28.7 cm
- Width: 28.7 cm
- Net weight: 1.275 kg

Technical specifications
- Mains power: Range 220 V - 240 V, 50-60 Hz
- Bulb technology: halogen, 230 V
- Number of bulbs: 1
- Fitting/cap: E27
- Wattage bulb included: 53 W
- Maximum wattage replacement bulb: 60 W
- Light color: warm white
- Fixture dimmable
- LED: No
- Built in LED: NO
- Energy class included light source: D
- Fixture is compatible with bulb(s) of class: C to E
- Lifetime up to: 2,000 hrs
- IP code: IP21, protection against objects bigger than 12.5 mm, protection from vertically dripping water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 70 W
- Lumen output bulb included: 850 lm

Service
- Warranty: 2 year(s)

Packaging dimensions & weight
- Height: 30.3 cm
- Length: 29.8 cm
- Width: 14.8 cm
- Weight: 1.780 kg

Miscellaneous
- Especially designed for: Bathroom
- Style: Contemporary
- Type: Ceiling light
