

Philips
Wall light

34084/11/16

Freshen up with beautiful natural light

Let the bright, stimulating light of this chrome Philips myBathroom bathroom wall light engage your senses and get you going. Stim's warm white radiance lets you groom and preen to the best effect by showing your skin colour accurately.

Benefits

Designed for your bathroom

- True skin colour with high-quality light
- IP44, perfectly suited for your bathroom

Sustainable light solutions

- Warm white light
- Philips bulb always included
- Adjustable light intensity with dimmer switch

Features

True skin colour

This Philips bathroom light makes colours reflect in a natural and accurate way, just the way the sun would do.

PHILIPS

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Philips bulb always included

High-quality Philips EcoHalo energy-efficient light bulbs are included in the box for achieving the best light effect.

Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included).This makes the light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

IP44 - bathroom-safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP44: it is protected against splashing water. This product is most commonly used and ideal for the bathroom.
