Rich bass

with excellent noise isolation

Innovative design meets urban style with the hipster-inspired CitiScape Fixie. Sporting cool monogrammed detailing, the headphone delivers rich bass with excellent noise isolation via a closed acoustic system and high quality drivers.

Total sound immersion on the move
- 40mm high quality neodymium drivers for deep and rich bass
- Closed acoustic design for greater bass and noise isolation
- Pre-tilted earshells fit any ear for excellent sound sealing

Supreme comfort
- Flexible metal arm designed for long listening comfort
- On-ear soft cushions for added comfort

Designed to stun
- Stylishly embossed headband crafted from soft material

Highlights

40mm quality neodymium driver

High quality 40mm neodymium drivers reproduce a wide frequency range, accompanied with crystal clear, deep and rich bass.

Closed acoustic design

Be part of the city's buzz but not its noise. With the closed acoustic on-ear design, every sound detail is isolated, allowing you to enjoy greater music detail as well as extended and dynamic bass.

Flexible metal arm design

Inspired by bike wiring, the earshells and headband are connected by lightweight but durable metal wiring, ensuring secure long-wearing comfort.

On-ear soft cushions

On-ear soft cushions comfortably hug the contours of your ears for the best possible fit – whatever your head shape. Immerse in your music for as long as you like – in fact, they feel so good that you may even forget that you have them on!

Precisely tilted earshells

Pre-tilted earshells perfectly fit your ear's natural angle, providing an excellent sound seal so you can truly immerse in your music.

Stylishly embossed headband

Inspired by chic monogram branding, the CitiScape Fixie's headband is innovatively embossed as a distinct fashion statement. Step out in comfort and bold style.
