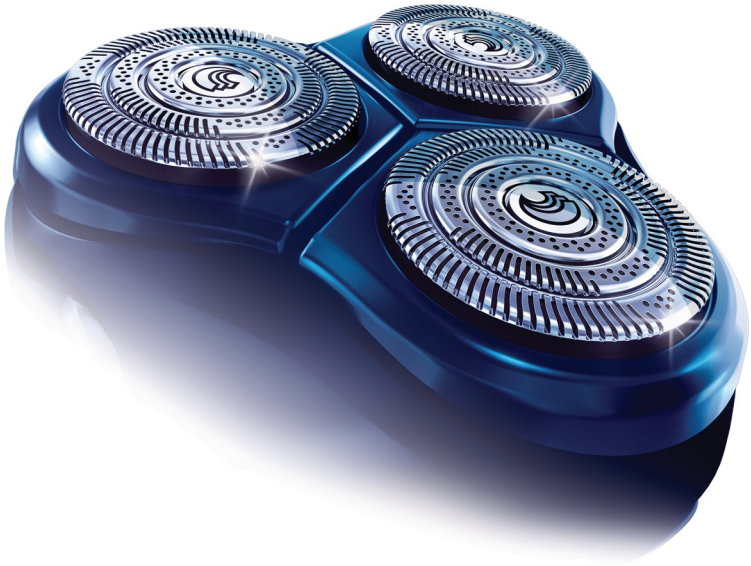
PHILIPS

shaving heads

TripleTrack

1 head

HQ9/11



Keep a close shave

Change heads every 2 years for best results

Every year, your blades travel the height of Mt. Everest ... 49 times! After such a workout, even the best materials can lose their edge. Retain your razor's peak performance - Replace the heads once every 2 years.

Comfortably close
- Super Lift & Cut shaving technology with dual blade system

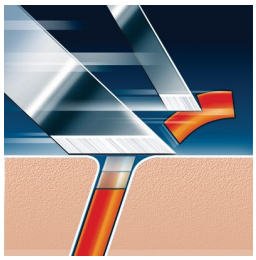
Shaves even the shortest stubble
- Precision Cutting System

Adjusts to every curve of your face and neck
- Reflex Action system

A fast and close shave
- Speed-XL shaving heads for a fast and close shave

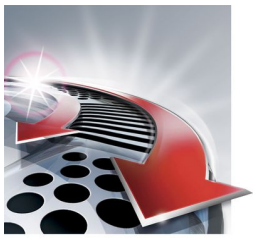
Highlights

Super Lift & Cut technology



Dual blade system of your Philips shaver: first blade lifts, second blade cuts for a comfortable close shave.

Precision Cutting System



The Philips shaver has ultra thin heads with slots to shave long hairs and holes to shave the shortest stubble.

Reflex Action system

Automatically adjusts to every curve of your face and neck.

Speed-XL shaving heads

The three shaving tracks offer 50% more shaving surface for a fast and close shave. *compared to standard rotary shaving heads.
