Decorate your home with light

Space-saving and efficient, the Philips Fireside wall light is ideal for use by your bedside. With a moveable arm, it allows you to adjust the light to where you need it the most.

Sustainable light solutions

- High quality LED light
- Philips offers a 5-year warranty on the LED module and driver
- Energy saving
- Warm white light
- Adjustable light intensity with dimmer switch
- Long operating life of up to 20 years

Special characteristics

- On/off switch on article
- Adjustable free-swing arm
- Moveable lamp head

PHILIPS

Wall light
Fireside matt chrome, LED

332611716

Highlights

High quality LED light

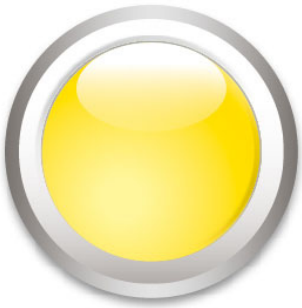

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Adjustable free-swing arm

Adjustable free-swing arm to direct the light where needed.

Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Energy saving

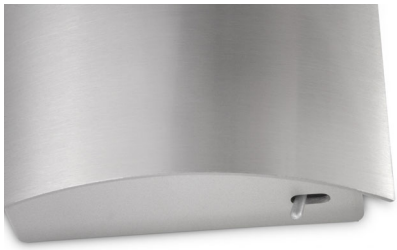

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 20,000 hours (which equals 20 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

On/off switch on article

With the button discreetly integrated into the lamp, you can easily switch the light on and off.

Specifications

Design and finishing
- Material: metal
- Colour: matt chrome

Extra feature/accessory incl.
- Dimmable
- On/off switch on article
- LED integrated
- Pivotable head (left-right)
- Pivotable arm (left-right)
- 5 year warranty on the LED module

Product dimensions and weight
- Height: 12.5 cm
- Length: 10 cm
- Width: 47.8 cm
- Net weight: 0.862 kg

Technical specifications
- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 6.5 W
- Light colour: warm white
- Beam angle: 35°
- Total lumen output fixture: 270 lm
- Fixture dimmable
- LED
- Lifetime up to: 20,000 hrs
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 52 W

Service
- Warranty: 5 year(s)

Packaging dimensions and weight
- Height: 24.6 cm
- Length: 25.7 cm
- Width: 13.1 cm
- Weight: 1.136 kg

Miscellaneous
- Especially designed for: Living Room and Bedroom
- Style: Contemporary
- Type: Wall light
