- On/off switch on article

PHILIPS

# Highlights

### Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

### Accurate colors

This Philips kitchen light makes colors reflect in a natural and accurate way. Just the way the sun would do.

### Always a Philips bulb included

High quality Philips EcoLamp energy efficient light bulbs are included in the box to achieve the best light effect.

### Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included).This makes this light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

### Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

### On/off switch on article

With the button discreetly integrated onto the lamp, you can easily switch the light on and off.

# Specifications
