- Warm white light
- Long operating life up to 15 years

Special characteristics

- On/off switch on article

PHILIPS

Wall light
Novum white, LED

360523116

Highlights

High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Long operating life

A light source you can trust. The integrated LEDs, used in this Philips LED lamp, will last up to 15.000 hours (which equals 15 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambiance in your home.

On/off switch on article

With the button discreetly integrated onto the lamp, you can easily switch the light on and off.

Specifications

Design and finishing
- Material: metal, synthetics
- Color: white

Extra feature/accessory incl.
- On/off switch on article
- LED integrated
- Diffused light effect
- Pull relief
- 5 years warranty on the LED module

Product dimensions & weight
- Height: 15.5 cm
- Length: 15.3 cm
- Width: 10.7 cm
- Net weight: 1.260 kg

Technical specifications
- Mains power: Range 220 V - 240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 4.5 W
- Light color: warm white
- Total lumen output fixture: 340 lm
- Fixture dimmable: No
- LED
- Lifetime up to: 15,000 hrs
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 42 W

Service
- Warranty: 5 year(s)

Packaging dimensions & weight
- Height: 16.8 cm
- Length: 16.3 cm
- Width: 11.3 cm
- Weight: 1.350 kg

Miscellaneous
- Especially designed for: Living- & Bedroom
- Style: Modern
- Type: Wall light
