Decorate your home with light

Take a moment to appreciate the light on your wall. The white-rimmed Philips myLiving Circle wall light projects its shine upwards for a nuanced, reflective glow. Enjoy the uniform warm white light in your room.

Sustainable light solutions

- Energy saving
- Warm white light

Highlights

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.
