- FINESSE
- inox

33465/17/16

Make light an essential ingredient

Complete your kitchen lighting system with this Philips myKitchen Finesse under cabinet on/off switch. Easily add a switch for your convenience and comfort, thanks to the modular design.

Benefits

Designed for your kitchen

- Part of a modular system

Special characteristics

- On/off switch on article

Features

Part of a modular system

This product is part of a modular system. This means it can be connected with other products from this system in any combination. The other products of the system can be recognised by the red jigsaw puzzle piece.

On/off switch on article

With the button discreetly integrated onto the lamp, you can easily switch the light on and off.
