# Highlights

### High quality LED light

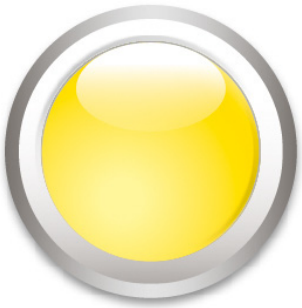

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

### 5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.

### Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

### Adjustable height

This Philips pendant light is delivered with long cables to offer you a maximum flexibility during and after installation. Choose the perfect height matching your needs.

### Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

### Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

### Long operating life

A light source you can trust. The integrated LEDs, used in this Philips LED lamp, will last up to 15.000 hours (which equals 15 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambiance in your home.

# Specifications

## Design and finishing
- Material: metal, glass
- Color: matt chrome

## Extra feature/accessory incl.
- Dimmable
- LED integrated
- Adjustable height
- 5 years warranty on the LED module

## Product dimensions & weight
- Height minimum: 7.9 cm
- Height maximum: 150 cm
- Length: 23.2 cm
- Width: 24.8 cm
- Net weight: 1.270 kg

## Technical specifications
- Mains power: Range 220 V - 240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 6
- Wattage bulb included: 2.5 W
- Light color: warm white
- Total lumen output fixture: 1100 lm
- Fixture dimmable
- LED
- Lifetime up to: 15,000 hrs
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 19 W

## Service
- Warranty: 5 year(s)

## Packaging dimensions & weight
- Height: 36.8 cm
- Length: 18.3 cm
- Width: 15.3 cm
- Weight: 1.600 kg

## Miscellaneous
- Especially designed for: Living- & Bedroom
- Style: Contemporary
- Type: Suspension light

Issue date 2016-08-24

Version: 2.0.1
