19" Rack cabinet Heavy Duty 27U x D1000 mm

Item no.: LVR244034

PRODUCT OVERVIEW

Floor-standing 600mm wide rack cabinet designed for the installation of both cabling and equipment. Suitable for multiple applications including data centers, server rooms, local area networking (LAN) cabling and hardware.

The side panels are removable and the cabinet is prepared for installation of fan tray, shelves and power giving you the option to create the cabinet that best suits your needs.

Access Panels at the top and bottom of the cabinet for easy cable access and added versatility.

Adjustable cage nut rails, levelers and castors are included. Please note that the castors are only for positioning the empty rack, they are not meant to support the rack when it's loaded with equipment.
