LANVIEW PROFESSIONAL NETWORK SOLUTIONS

19" Wall Mounting Cabinet 9U x D600 IP55 for outdoor use

Item no.: LVR242815

PRODUCT OVERVIEW

Wall-mounted 600mm wide rack cabinet designed for outdoor installation of both cabling and equipment. Suitable for multiple applications including local area networking (LAN) cabling and hardware, and the housing of surveillance and audio visual equipment.

IP55 rating means that the cabinet ensures an almost complete protection from dust and other particles and a good level of protection against rain and water jets.
