Suspension light

- Cam
- aluminium
- LED

40690/48/16

Decorate your home with light

Dazzle visitors when you switch on Philips myLiving's sparkling grey bar pendant. The light from Cam's eight LEDs in an aluminium array hanging over them will impress with its bright and even output.

Benefits

Sustainable light solutions

- High quality LED light
- Philips offers 5 year warranty on the LED module and driver
- Warm white light
- Adjustable light intensity with dimmer switch
- Energy saving
- Long operating life up to 20 years

Special characteristics

- The height of the pendant is easy adjustable

PHILIPS

Features

High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Long operating life

A light source you can trust. The integrated LEDs, used in this Philips LED lamp, will last up to 20.000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambiance in your home.

Adjustable height

The height of this Philips pendant light is always adjustable by raising or lowering the bar in the middle of the wires.

Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Specifications

[field not found 'disclaimer_text']

Design and finishing

Material	aluminium synthetics
Color	aluminium

Extra feature/accessory incl.

Dimmable	YES
LED integrated	YES
Adjustable height	YES
5 years warranty on the LED module	YES

Product dimensions & weight

Height minimum	10 cm
Height maximum	150 cm
Length	115.9 cm
Width	7.0 cm
Net weight	3.870 kg

Technical specifications

Mains power	Range 220 V - 240 V 50-60 Hz
Bulb technology	LED Safety Extra Low Voltage
Number of bulbs	8
Wattage bulb included	2 W
Light color	warm white
Total lumen output fixture	1040 lm
Fixture dimmable	Yes
LED	Yes
Lifetime up to	20,000 hrs
IP code	IP20 protection against objects bigger than 12.5 mm

	no protection against water
Class of protection	I - earthed
Light source equivalent to traditional bulb of	15 W

Service

Warranty	2 year(s)

Packaging dimensions & weight

Height	12.8 cm
Length	119.3 cm
Width	11.8 cm
Weight	4.605 kg

Miscellaneous

Especially designed for	Living- & Bedroom
Style	Contemporary
Type	Suspension light
