PHILIPS

## Features

### Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

### Adjustable height

The height of this Philips pendant light is adjustable at all times. By means of a telescopic arm you can easily twist to shorten or lengthen the pendant.

### Always a Philips bulb included

High quality Philips light bulbs are included in the box to achieve the best light effect.

### Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included).This makes this light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.

### Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.
