FEATURES

Anti-Flicker technology

MSI Anti-Flicker technology provides a very comfortable viewing experience by reducing the amount of screen flicker.

Less Blue Light

Effectively reduce blue light which could cause serious long-term damage to your eyes.

Anti-Glare Display Design

An anti-glare display makes viewing the display more pleasant for users and reduces eyestrain for users

Display Kit Support

Providing the most convenient tool, the proper color & display mode to you while working with it everyday.

WiFi 6

The latest wireless solution supports MU-MIMO and BSS color technology, delivering speeds up to 2400Mbps.

Silent PRO Colling

3 independent chambers with exclusive thermal module provide the best solution while rendering, editing and multitasking

TPM Support

FW TPM design secures your confidential data with encryption keys.

Tool Less Design

Assemble and disassemble the stand without any tools needed.
