Highlights

Sync your media to lights

With the Hue sync box and the Hue Bridge, you can bring your entertainment to new heights. Surround yourself with Philips Hue lights and turn on your movie, music, or game • and then watch your lights mirror the colors and rhythm.

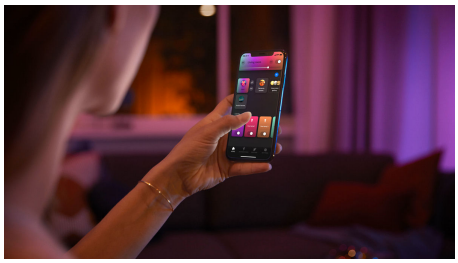
Control lights with your voice*

Philips Hue works with Amazon Alexa and the Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Simple voice commands allow you to control multiple lights in a room or just a single lamp.

Set the right mood with warm to cool white light

These bulbs and light fixtures offer different shades of warm to cool white light. With complete dimmability from bright to low nightlights, you can tune your lights to the perfect shade and brightness of light for your daily needs.

Control up to 10 lights with the Bluetooth app



Philips Hue with Bluetooth is the easiest way to get started with smart lighting. Set the mood instantly with Bluetooth-enabled light fixtures and the Hue Bluetooth app, which allows you to control up to 10 lights in a room.

Create a personalized experience with colorful smart light

Instantly set the mood for any occasion with 16 million colors of light. Transform any room for an immersive entertainment experience, create the perfect atmosphere for a get-together with friends, or complement your home decor.

Unlock full suite of smart light features with Hue Bridge

Add a Hue Bridge (sold separately) to your Bluetooth-controlled setup to make your smart lighting system even smarter.With the Hue Bridge, you can add up to 50 lights — including your existing Bluetooth-enabled lights — and smart accessories throughout your entire home, as well as unlock upgraded features such as away-from-home control.

Dynamic light scenes

Amp up the ambiance of special moments with living light. Use dynamic scenes to create the perfect mood in any situation.

Seamlessly blend colors

Get a seamless blend of multiple colors of light at the same time in a single lamp. The colors flow together naturally, casting light to showcase a unique effect.
