- Simple setup
- Hue Bridge included

8719514289116

A↑G F

Easy smart lighting

Get your smart lighting system started with this Starter kit, which includes two smart bulbs with soft white light and the Hue Bridge. It's a complete kit for custom control over your home lighting and all its great features.

Limitless possibilities

- Away-from-home smart light control
- Come home to a house filled with light
- Make it look like you're home with smart lights
- Control lights with your voice

Highlights

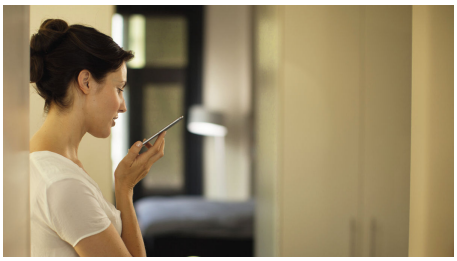
Control lights away from home

The Philips Hue app gives you complete control over your lights, even if you're not at home. Switch your lights off and on remotely using just the app to ensure your home is always lit the way you want it.

Make it look like you're home

Use the Philips Hue app to schedule light routines whenever you're away. Your smart lights will turn on at the times you've selected, and sometimes a few minutes before or after, to truly mimic your presence in the house.

Control with your voice



When connected to the Hue Bridge, you can pair your lights with Alexa, Apple HomeKit, and the Google Assistant and control your lights using just your voice. Simple voice commands let you turn your lights on and off, dim or brighten your lights, and even set a light scene.

Come home with light

Set your Philips Hue app to recognise when you're almost home. Before you even step out of your car or walk up the path, your selected smart lights turn on automatically.

Specifications

Lamp dimensions
- Dimensions (WxHxD): 61x110

Design and finishing
- Colour: White

Environmental
- Operational humidity: 5% <H<95% (non-condensing)
- Operational temperature: -10 °C – 45 °C

- Dimmable with the Hue app and switches: Yes

Guarantee
- 2 years: Yes

Light characteristics
- Colour rendering index (CRI): 80

Packaging information
- EAN: 8719514289116

Power consumption
- Energy efficiency label (EEL): F

Service
- Warranty: 2 year(s)

Technical specifications
- Weight: 73 g
- Bulb technology: LED
- Lumen output at 2700K: 1,055 lm
- EPREL registration number: 403542

The Bridge
- Diameter: 88 mm
- Frequency band: 2400-2483,5 MHz
- Height: 26 mm
- Max. number of accessories: 12
- Max. number of bulbs: 50
- Mounting options: Desktop, Wall
- Power adapter: 100–240 V AC / 50–60 Hz
- Power consumption: 250mA max

The bulb
- Brightness: 1,100
- Colour temperature: 2700K
- Diameter: 61 mm
- Fitting: E27
- Form factor: A60
- Height: 110 mm
- Input voltage: 220V-240V
- Lifetime: 25,000 h
- Light output: Soft white light
- Lumen output: 1100 lm
- Max. operation power: 9.5 W
- Max. standby power: 0.5 W
- Number of switching cycles: 50,000
- Power factor: >0.5
- Rated lifetime: 25,000 h
- Software upgradable: Yes
- Start up: Instant 100% light output
- Wattage: 10 W
- Communication protocol: Bluetooth and Zigbee
- Software upgradable: When connected to Hue Bridge

The switch
- IP rating: IP 20

What's in the box
- Bridge: 1
