High-Precision Sound

Printed flat cable plus acoustics chamber

Urban chic goes pop-mod with the CitiScape Jetts' edgy graphic-printed flat cable. Finely tuned 9 mm drivers deliver precision sound and rich bass while ergonomic sound tubes and custom-fit ear-caps ensure personalised comfort and style.

Benefits

Total sound immersion on the move

- Efficient acoustic chamber for enhanced bass performance
- Finely tuned 9 mm premium drivers for high precision sound
- Noise-isolating ear caps to block out the city noise

Supreme comfort

- Choose from 3 pairs of ear caps for your perfect fit
- Ergonomic oval sound tubes for a comfortable fit

Design for convenience

- Reinforced rubberised cable relief for enhanced durability
- Graphic-printed flat cable keeps you tangle-free

PHILIPS

Features

Choice of 3 pairs of ear caps

Your CitiScape in-ear headphones come with 3 pairs of ear caps so you can treat your ears to a perfect fit. The ear caps come in 3 sizes, from small to large, and they're all stylish yet superbly comfortable.

Efficient acoustic chamber

The efficient acoustic chamber system is structured specifically as a maximised space for sound waves to move about freely. As a result, you get to enjoy a much more dynamic sound performance.

Ergonomic oval sound tubes

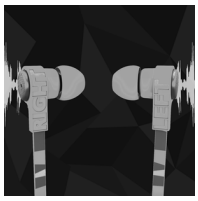

Based on extensive research and designed to fit any ear, the ergonomic oval shape of the sound tube ensures an optimum and comfortable fit.

Fine-tuned 9 mm premium drivers

Plug into a world of crystal clear and natural sound with precisely tuned 9 mm premium drivers. Your CitiScape in-ear headphones are carefully engineered to deliver high precision sound, whatever music you're listening to.

Noise-isolating ear caps

Noise isolating ear caps block out environmental noise, allowing you to immerse in pure music enjoyment.

Reinforced cable relief

To help extend the life of your headphones, a soft protective rubber protects the connection where the cable meets ear shell casing. This prevents damage through repeated bending.

Tangle-free flat cable

Urban-chic graphic prints on a smart flat cable keeps you on-trend and tangle-free.

Specifications
