High-quality light
- Warm white light 2,700 K

Highlights

Long lifetime up to 15,000 hours

Reliable high-quality LED light lasts up to 15,000 hours. You can rest easy knowing that you won't have to worry about maintenance for years, while enjoying the perfect garden light every night.

High-quality LED light

These LED lights use a unique technology developed by Philips. They turn on instantly and produce optimal light output that brings out the vivid colours in your garden.

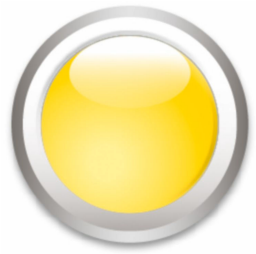
High quality material

This Philips outdoor lamp is made of high-quality materials with superior finishing. This ensures a solid and long-lasting product which is resistant to corrosion and stains in all weather conditions

IP54 – weatherproof

This Philips outdoor light is especially designed for humid outdoor environments and has been tested rigorously to ensure water resistance. Its IP54 rating means that it has been certified to offer ingress protection against dust and splashing water – perfect for general outdoor use.

Warm white light 2,700 K



Did you know that different shades of white light are identified by different colour temperatures, measured in Kelvin (K)? Lower colour temperatures produce a warm, cosy white light, while higher colour temperatures produce a cool, more energising white light. This luminaire produces warm, relaxing light at 2,700 K.

Specifications

Design and finishing

- Colour: White
- Material: Metal, Plastic
