Decorate your home with light

Philips myLiving Rod table lamp has all the quality of balanced aesthetics. Combining clear glass with white opal glass for that dual layered look, it adds a touch of elegance to your dining space.

Benefits

Sustainable light solutions

- Warm white light
- Always a Philips bulb included
- Energy saving

Special characteristics

- Touch dimmer on article

Features

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Always a Philips bulb included

High quality Philips light bulbs are included in the box to achieve the best light effect.

PHILIPS

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Touch dimmer on article

Intuitively operated, just touch the dimmer and adjust the light to create the best ambiance in your room.
