- A drip stop to pour a cup of coffee whenever you like
-
- LED power switch lights up when the coffee maker is switched
- 1.2 litre capacity for 2–15 cups
- Dishwasher-proof parts for easy cleaning

Highlights

1000 Watt

The pump of your Philips coffee machine will prepare your coffee quickly.

Glass aroma jug

The Philips Aroma jug is made of glass and designed to optimally preserve the coffee flavour.

Protective buffer ring

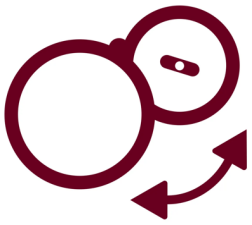

The buffer ring around the glass jug provides protection and improved stability.

Water level indication

Fill the water tank easily and precisely with the water level indication.

Swing filter holder

The filter holder is opened by swinging it to the side, which makes it easy to fill up with coffee. The filter holder is also detachable for easy cleaning.

Drip stop

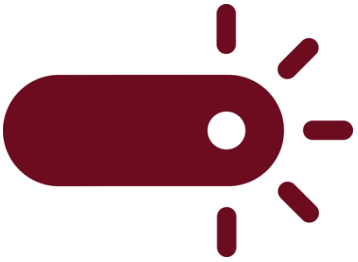

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

Cable storage

LED power switch

The red light on the switch button illuminates when the coffee maker is switched on.

1.2 litre capacity

This coffee maker can brew up to 10 (large)/15 (small) cups of coffee, equating to a maximum of 1.2 litres. However, this coffee maker has a compact design and takes up little space in your kitchen.
