# Highlights

## Adjustable browning control

Adjust the heat level to your preference and get your toast the way you want it.

## Automatic safety shut-off

The toaster will automatically shut off if the bread gets jammed inside.

## Cancel button

## Defrost and reheat buttons

The defrost button on your toaster allows you to defrost and toast in one go, and the reheat button warms cold bread or further browns just-toasted bread.

## High lift feature

This feature allows you to lift smaller pieces of bread even higher to take them out safely.

## Removable crumb tray

Is easy to clean thanks to its removable crumb tray.

## Wide self-centred slots

Philips toaster with self-centred slots allows you use thick or thin slices that stay in the centre for evenly toasted bread.
