SRRBLGBLBX1

# Specifications

### Maximum visibility
- City: LightRing

### Ease of use
- Application: Day, Night
- Easy installation
- Long life LED technology

### Certification
- German certification: StVZO certification

# Highlights

### Splashproof plastic housing

As well as resisting knocks, the case is water resistant, and conforms to IP63.

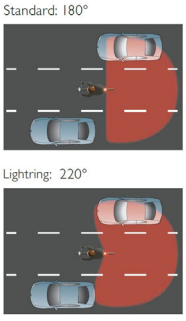

### Long-Life LED technology

The Philips long-life LED technology requires no maintenance and will provide you a very intense light for optimum vision and fatigue-free work.

### Legally approved
Legally approved according to StZVO in Germany

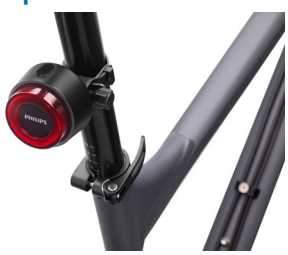

### 220° side visibility

Be seen earlier thanks to the Lightring technology. Light is indirectly diffused through a glowing ring at a wide angle. The 220° side visibility will ensure you have a safe ride.

### Philips Lighting signature
Unique Philips Lighting signature

### Compatible with tubes < 38 mm

By utilising the seat post holder accessory, the rear light can also be fitted on all tubes up to 38 mm.
