Features

Even light distribution

With the customized optics in Philips EyeCare desk lamps, you get light that is diffused and evenly distributed across your workspace. This reduces uneven lighting or dazzle, which normally leads to tired eyes and general eye fatigue.

3 step dimming adjustment

When it comes to the intensity of the light required when reading or doing your tasks, preference differs. As such, this Philips EyeCare desk lamp comes with 3 step dimming adjustment to allow you to do just that.

Reduces glare and eyestrain

The combination of customised optics and high-quality cool white LED light of the this Philips EyeCare desk lamp, helps to reduce glare and eye strain. Comfortable and with no visible flickering, it helps to support optimal eye comfort.

5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.

Cool daylight

Various findings have pointed out that a cool daylight color temperature of 5500K and up to 1000 lux promotes concentration by maintaining energy levels and alertness with natural light levels.
