Highlights

For kids

Specially designed for kids, the SoftPal is sure to bring a world of light to your child's bedroom and sleep time in a safe and comforting way.

LED inside

With the LED light inside, your SoftPal can light up the night in a sure and safe way: always cool to touch. Thanks to its LED, SoftPal will shine for longer too.

Tilt to turn on and off

Light up the night by simply turning the SoftPal. The LED light inside will switch on and off with every tilt of the hand.

Charging on dock

Sit the SoftPal on its docking station and press the button so induction charging will start automatically. When your SoftPal is fully charged, the light indicator on the dock will switch off automatically.
