HK654070FB Built-in Hob

Sensitive controls for precision cooking

The Direct Touch controls on this hob help you get delicious results every time you cook. Slide controls let you turn the heat up, down or off with such accuracy that you get the response you want at just the right moment. So whatever mouth-watering meal

Intelligent use of power for reduced energy consumption

The Öko Timer enables you to use energy more efficiently by using the hob's residual heat during the last few minutes of the cooking process.

Optimized cooking flexibility with multiple-zone hob

This hob provides an optimized range of cooking options: two regular heat sources, a triple-ring zone and an oval multi-purpose zone.

More Benefits :

• OptiHeat Control for an effective way to optimize energy use

• CountUp timer to show exactly how long a dish has been cooking

Features :

Technical Specs :

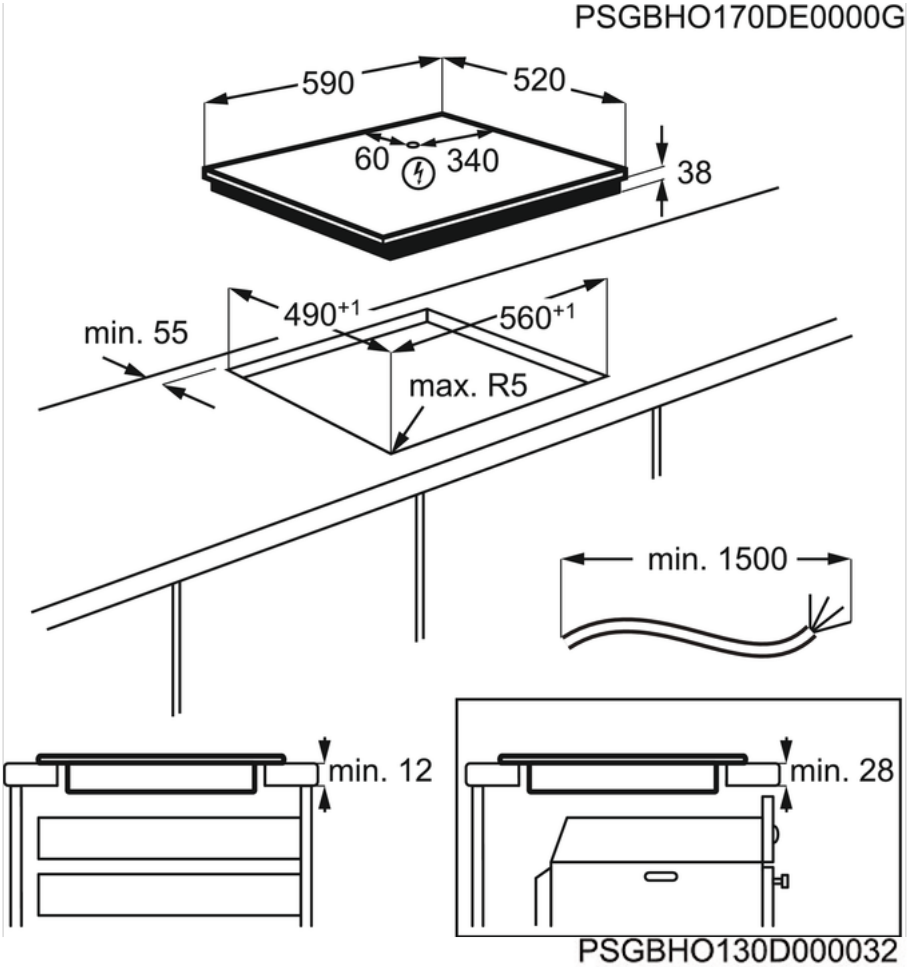

• Frame type : Bevelled 4 Sides
•Dimensions WxD in mm : 590x520
•Built-in dimensions HxWxD in mm : 38x560x490
•Total electricity loading (W) : 7100
•Cord Length : 1.5
•Hob safety : Automatic Switch Off
•Residual heating indicators : 7 Segments
•LED colour : Red

Product Description :

• Slide Touch Control
• Intelligent AutoMax Function
• Stop+Go Function
• Increase Cooking Options
