Highlights

Extra thick aluminum casing
The high quality aluminum casing protects the hard drive from wear and tear - protecting your data and guaranteeing a long working life. It also insulates the sound of the drive to ensure quiet operation.

Accelerated USB 2.0
The Hard Drive is equipped with USB 2.0 and a Prolific chip for super fast file transfer.

Dolby digital and DTS
Get the most out of your stereo by playing your digital music on it. The hard disk works with Dolby Digital 5.1 so you can hear superb surround sound from your digital music and video content.

Composite and S-video
Connect to your TV instantly via Composite or S-video with plug and play simplicity. The connectors are compatible with almost every TV and even work with a scart adapter (not supplied with the product).

Interface with remote control
Get control of your multimedia content with the Philips remote control. Its intuitive navigation allows you to simply navigate through all your movies, pictures and music.
