Thule Perspektiv™ M Toploader - $ 99.95

Thule Perspektiv™ M Toploader

TPCH-101

Effortlessly carry essential photo gear to capture every single frame when your best friend decides to go big off the kicker you built in the backcountry of Vail, CO. Carry your prosumer DSLR body and ultra-wide-angle lens, and enjoy fast and easy access when it matters most.

Product Features:

1. Cloudburst™ construction with welded and taped critical seams, DWR treated fabric and YKK RCPU zippers provides a first line of weather defense
2. SafeZone construction in bag ensures advanced protection for fragile gear
3. Three-way use (bag-in-bag, chest, sling) for adaptable flexibility and wearability
4. Fits up to prosumer DSLR body with attached zoom (or ultra-wide-angle) lens
5. Hideaway rain fly with taped seams for the ultimate wet-weather protection
