The lace-design makes sure your headphones do not tangle up. Both earplugs, the inline-remote and the plug are made of high quality aluminum. The included earplugs come in three different sizes, making sure there is a perfect fit for every devoted World Cup soccer fan. As a result, ambient noise is reduced making sure you can enjoy the high quality sound to the fullest.

Optimal functionality
The headphones can be used for hands free phone calls through the inline microphone and call pick up button. When used with smartphones or tablets, the call pick up button features as a media button as well.* Represent your team whenever you listen to music or pick up a call.

Express yourself with the Limited World Cup lace 2014 headphones.
