PHILIPS

Energy saving bulb
11 W (40 W) B22 cap, Cool daylight

8710163158853

Specifications

Power consumption
- Wattage: 11 W
- Wattage equivalent: 40 W

Light characteristics
- Light effect/finish: Cool Daylight
- Light output: 540 lumen
- Color temperature: 6500 K
- Color rendering index (CRI): 80

Durability
- Average life (at 2.7 hrs/day): 6 year(s)
- Lifetime of lamp: 6000 hour(s)

Bulb dimensions
- Height: 108 mm
- Width: 55 mm

Bulb characteristics
- Shape: Standard
- Cap/fitting: B22
- Voltage: 220-240 V
- Dimmable: No

Highlights

Energy efficient
All Philips energy savers save energy from the moment you turn the switch. During their lifetime they use fewer kW and thus also result in a lower energy bill. The level of energy saving differs per lamp type and technology.

Carbon footprint
Energy savers reduce the amount of energy in your home, which not only results in a lower eenrgy bill, but also in less carbon (CO2) output by your energy supplier. Together we make this a better world to live in.

Compact size and high perform
Our smallest energy saving lamps are just as small as a traditional light bulb. You can now save energy and money in all your lights and lamps, without compromising on light quality.

Reliable quality
Philips keeps its promises about lamp performance. You can trust what the Philips packaging is saying about light output, lifetime and wattage equivalent to incandescent lamps.
