- Diffused light effect

Ultimate flexibility in installation

- Extendable up to 5 metres with the available extension kits
- Cut to size
- Easy to mount with adhesive tape

Easy and safe to use

- Protective silicone layer
- Safe LED technology

PHILIPS

Features

Choose from 16 colours

Choose your favourite colour out of the 16 different colours including white.

Diffused light effect

All the different colours blend naturally into your interior thanks to the diffused light effect with an output of 125 lumen/metre.

Extendable up to 5 metres

The LightStrips Extend are easy to install in different types of applications. The separately available extension kits allow you to extend your product by up to 5 metres.

Cut to size

If your LightStrips do not exactly fit the required application, you can easily cut them to size. Cutting marks on the product indicate where to cut.

Easy to mount

Paste the LightStrips wherever you like thanks to the integrated adhesive strip on the back.

Protective silicone layer

Enhanced protection for electrical parts against dust and moisture, even during cleaning.

Safe LED technology

The LightStrips are safe to touch and use without the risk of open electricity.
