- Cut to size
- Plug & Play: easy installation
- Easy to mount with adhesive tape
- Connect to mains power

Easy and safe to use
- Easy-to-use light switch
- Protective silicon layer
- Safe LED technology

PHILIPS

Features

Warm white diffused light

The warm white light with an output of 250 lumen/meter blends naturally into your interior thanks to the diffused light effect.

Cut to size

If your LightStrips do not exactly fit the required application, you can easily cut them to size. Cutting marks on the product indicate where to cut.

Plug & Play: easy installation

The LightStrips are very easy to install and guarantee immediate fun thanks to the plug & play principle. Everything you need is already included in the box and explained in the Quick Start Guide.

Easy to mount

Paste the LightStrips wherever you like thanks to the integrated adhesive strip on the backside.

Connect to mains power

The LightStrips Extend are connectable to mains power and wall switches in order to make more professional and embedded installation possible.

Easy-to-use light switch

Simply switch the LightStrips on and off by using the on/off switch.

Protective silicon layer

Enhanced protection for electrical parts against dust and moisture, even during cleaning.

Safe LED technology

The LightStrips are safe to touch and use without the risk of open electricity.

Specifications
