PHILIPS

## Features

### For kids

This Philips and Marvel light for your child's bedroom creates an environment which encourages children to indulge in what they enjoy most – fun and creativity! A place where your child can study, play and sleep accompanied by their favourite Marvel character. This light is designed to be safe for your child.

### Accompanies your child

This Philips and Marvel portable light safely guides your child during nightly walks to the bathroom or the parent's bedroom. Designed for kids, this torch light fits perfectly into your child's hand, making it easy to carry it around anywhere.

### High quality LED light

The LED technology, integrated into this light, is a uniquely developed solution by Philips. While instantly turned on, it enables optimal light output and brings out vivid colours in your kid's room.

### Battery-operated - 2 x AAA

This light works on 2 AAA batteries. All batteries of this size will work. Do not mix different types of batteries; always use the same type. The batteries are not included in the box.

### On/off switch on article

With the button discreetly integrated on the fixture, you can easily switch the light on and off.
