

Philips
SpotOn Flex Silver

69190/14/PH

Light when and where you need it

The SpotOn Flex series of compact LED lamps switch on automatically to provide easy orientation light when and where you need it. With variable brightness, the intensity of the light can be chosen to best fit your needs.

Safe to use
- LED technology is cool to the touch

Bright light for easy orientation
- Instant orientation light when and where you need it
- Ideal for dark hallways, under beds or in cupboards
- No mains power needed
- Batteries included for immediate use (3 x AAA)

Smart sensor technology
- Turns on the light when motion is detected
- The Smart sensor only works when it is dark, saving energy

Adjustable brightness
- Choose between a strong, medium or soft light output

PHILIPS
