PHILIPS
sense and simplicity

Highlights

Forms and materials
Philips myLiving is designed to fit perfectly with the best of all interior decoration, offering multiple styles to blend perfectly in anyone's home. With many applications and finishes, it combines well with features like curtains, furniture, paint and accessories to complete the look you desire. Careful attention to details and designs helps you to express your personal style, for interior decoration just the way you want it. This means inviting ambience and surroundings that friends, family and you will enjoy.

Multiple applications

If you enjoy design, and like to experiment with the latest styles and themes in your home, try Philips myLiving. It's a range of decorative pendants, wall, ceiling, floor and table lamps in premium materials and different colours.

Philips lamp(s) included
This luminaire comes with Philips lamp(s), offering you the best light quality and effect to match your luminaire.

Brilliant with light
This luminaire offers brilliant light to highlight features or create a nice ambience in your room, while saving energy compared with traditional halogen lamps.

Long lifetime

Eco-Halogen lamps last up 4000 hours.

Saves up to 40% energy

This lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Compatible with wall dimmer
Adjustable light and colour intensity with dimmer switch, for the perfect light tone (dimmer switch not included in the box). This makes this luminaire ideal for creating the right ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living-room, or for offering functional light in corridors, for example.
