L99695HWD Front loaded WD

Perfect washing. Perfect drying.

Efficiency meets performance in the new ÖKOKombi washer dryer from AEG. With HeatPump technology it uses 40% less energy and water to wash and dry in one cycle, without compromising on results.

The gentle way to treat your clothes

However delicate the clothes, the unique ÖKOKombi washer dryer with Woolmark Blue (formerly known as Woolmark Gold) certification in both washing and drying will treat each item in the gentlest possible manner.

Wash and dry in one go.

With the new new ÖKOKombi washer dryer from AEG, you can wash and dry in one go. It's the right choice when space is at a premium.
