Marketing

Extended retailer text	Do you want to protect your tablet against bumps, scratches and dust without keeping it in a thick and heavy case? Then the Trust Aeroo is the perfect solution. Due to its thin and light design you won’t even notice that your tablet (iPad mini, Galaxy Tab3 7 & Tab3 8 or Nexus 7) is in a case. Design Tablets nowadays become thinner, slimmer and lighter. The Trust Aeroo goes hand in hand with this development: Thanks to its well-thought design with a 2mm thickness and a weight of 230 gram it keeps your tablet thin and light in the case. Next to an elegant black version two other outstanding color combinations are available: one with a metallic-grey outside and a neon-orange inside and one with a pink outside and a striking-

blue inside. The outside of the case is built solidly and has a fine structured, soft surface. The soft velvet inside provides optimal protection.

Stick&Go

The folio case has an advanced Stick&Go function: a simple but effective pad you can easily stick your tablet on (7-8“ – 211 x 136 mm). Your tablet will be kept completely stuck without needing any annoying straps. Anytime, you can easily remove your tablet from the pad without leaving any residues on it.

Ease of Use

Of course you can flip the cover to use your tablet in a lying position. Thanks to the low angle provided by the folio case you can easily type on your tablet when mailing or surfing the internet. The magnetic closure ensures a perfect fit in the case of without the need of any elastic band.
Thanks to the unique Stick&Go design, all buttons and ports can be easily accessed.

Protection

Despite its ultrathin and light design this case provides optimal protection against bumps, scratches and dust.
Ultrathin, ultralight, multifunctional and optimal protection: The Trust Aeroo is the perfect addition to any tablet.
