

DESIGN DECT CORDLESS TELEPHONE

The design-line Eclipse is a DECT cordless telephone with a unique elliptical shape which is bound to catch your eye. Its glossy chrome finish, blue backlit keypad and 1.6 inch LCD display add to the intriguing design. The handset's innovative magnetic connection makes it easy to pick up and replace not only is it beautiful to look at but it's also a pleasure to hold. This revolutionary design won the IF Product Design Award 2012. The AEG Eclipse comes in a black and a white version with chrome surround and is a stunning yet subtle addition to the interior design of any room. The Eclipse 10 is a model without answering machine. The Eclipse 15 adds a digital answering machine with recording time up to 30 minutes.
