Sip, no drip

Easy transition from bottle to cup

The Philips Avent new BPA-free sippy cup features a patent pending valve that guarantees no spill. The bite-resistant spout and handles ensure easy drinking for your toddler. Easy for your child, convenient for you.

Non-spill
- Leak-free! Mums confirm
- Easy conversion to a free-flow cup

Ideal first step to a drinking cup
- Angled spout mitigates head tilting
- Soft touch trainer handles for little hands

Convenient for you and your baby
- All parts are dishwasher safe for convenience
- Hygienic cap to keep cup clean on the go

Other benefits
- This cup is made from BPA-free material
- Compatible with Philips Avent Natural and Classic+ bottles

Highlights

Leak-free! Mums confirm
No more mess! The new patent-pending valve ensures that water comes out only when the child is drinking from the spout.

Angled spout

The angled spout is designed to help toddlers take their first sips easily without tilting their heads back too much.

Ergonomically designed trainer

Trainer handles help your toddler hold the cup and drink independently. These handles are not only shaped for little hands to grab easily, they are also rubberised for a non-slip grip.

BPA-Free

This Philips Avent cup is made from BPA-free material.

Compatibility across the range

The new Philips Avent cup is compatible with the Philips Avent Natural and Classic+ bottle range (excluding the glass bottle) and all other Philips Avent cups (excluding the Natural Drinking Cup).

Hygiene cap
Whether at home or on the go, the protective hygiene cap always keeps the spout clean.

Cup is dishwasher safe

All parts are dishwasher safe for convenience
