

Philips LED
Spot (Dimmable)

5.7 W (50 W)
GU10 cap
Warm white
Dimmable

8718291749073

Durable accent lighting with a focused bright beam

Avoid the hassle of changing spots

Philips LED spots provide a focused bright beam, an exceptionally long life and significant energy savings. This spot is the perfect long-lasting replacement for 50-W spots with a GU10 cap.

Create a warm atmosphere
- True incandescent-like warm white light (2700 K)
- High colour rendering (CRI > 80) for vivid colours
- Dimmable

Easy to enjoy
- Avoid the hassle of constant changing

Sustainable choice
- Lasts up to 15 years
- Very low energy consumption, saving up to 90%

Suitable for spots and general lighting
- 36° halogen light beam

Instant light (LED)
- Instant light when switched on

PHILIPS

Spot (Dimmable)
5.7 W (50 W) GU10 cap, Warm white, Dimmable

8718291749073

Highlights

Warm white light (2700 K)
Light can have different colour temperatures, indicated in units called Kelvin (K). Bulbs with a low Kelvin value produce a warm, cosier light, while those with a higher Kelvin value produce a cool, more energising light.

Avoid the hassle of changing bulbs

The durable alternative to halogen spots, Philips LED spots can be installed and forgotten about, maintaining their beautiful light beam for years and years to come.

High colour rendering (CRI>80)

The colour rendering index (CRI) is used to describe the effect of a light source on colour appearance. Natural outdoor light has a CRI of 100 and is used as the standard of comparison for any other light source. The CRI of Philips LED light bulbs is always higher than 80, close to the sun's value, reflecting colours truly and naturally.

Very low energy consumption

By replacing traditional light bulbs with a Philips LED alternative, you will gain immediate, significant energy savings while contributing to a sustainable planet.

Lasts up to 15 years

With a lifetime of up to 15,000 hours, this Philips LED bulb will ensure your desired atmosphere for up to 15 years.*

36° halogen light beam

With a familiar focused light output, equal in look and feel to halogen spots, this LED spot is suitable for both accent lighting and general-purpose lighting.

Dimmable

Designed to provide quality dimming to create the right ambience for any activity, from relaxed to active atmospheres.

Instant light when switched on

No need to wait: Philips LED light bulbs provide their full level of brightness immediately upon switching on.

Specifications

Bulb characteristics
- Shape: Spot
- Cap/fitting: GU10
- Voltage: 220-240 V
- Dimmable

Power consumption
- Wattage: 5.7 W
- Wattage equivalent: 50 W
- Energy efficiency label: A+
- Power consumption per 1000h: 6 kW·h

Light characteristics
- Light output: 345 lumen
- Beam angle: 36 degree
- Colour: Warm White
- Colour temperature: 2700 K
- Light effect/finish: Warm White
- Colour rendering index (CRI): 80
- Starting time: < 0.5 s
- Warm-up time to 60% light: Instant full light
- Colour consistency: 6 SDCM
- Rated centre beam intensity: 700 cd

Durability
- Lifetime of lamp: 15000 hour(s)
- Number of switch cycles: 50000
- Lumen maintenance factor: 0.7
- Average life (at 3 hrs/day): 15 year(s)

Bulb dimensions
- Height: 55 mm
- Width: 50 mm

Other characteristics
- Mercury content: 0 mg
- Power factor: 0.6
- Lamp current: 30 mA

Rated values
- Rated power: 5.7 W
- Rated luminous flux: 345 lumen
- Rated lifetime: 15000 hour(s)
- Rated beam angle: 36 degree

Issue date 2017-12-05
Version: 12.0.1
