Ordering information
- Order entry: 12258WHVSM, 12961NBVB2
- Ordering code: 39204330

Packaging Data
- Packaging type: Blister
- EAN1: 8727900392043
- EAN3: 8727900392050

Packed product information
- Pack Quantity: 2
- MOQ (for professionals): 20
- Gross weight per piece: 9.0 g
- Height: 12.8 cm
- Length: 6.7 cm
- Net weight per piece: 1.3 g
- Width: 2.7 cm

Outer pack information
- Gross weight per piece: 180 g
- Height: 13 cm
- Length: 15 cm
- Width: 13.5 cm

Marketing specifications
- Expected benefits: Style
- Product highlight: Intense white Xenon effect

Highlights

100% road legal
WhiteVision is ECE certified and the first road-legal intense white light. It gives you the ultimate visibility without compromising safety by dazzling the car in front.

Up to 60% more vision
Light output improved by up to 60% enables you to be seen by other road users more clearly. It improves safety, giving you more time to react to potential hazards.

A premium driving experience
Outperforming any blue car bulbs on the market, Philips WhiteVision lights are the right choice for drivers who want to drive with style without compromising on safety. With a colour temperature of Xenon headlamps and a stylish white cap, WhiteVision is the ultimate upgrade for your signalling and interior lighting. The Philips patented 3rd generation coating technology is an evolutionary masterpiece.

Best-in-class lifetime
Philips WhiteVision signalling lighting headlights (available in H1, H3, H4, H7, T4W and W5W) are designed to last. They offer you a long and reliable lifetime of up to 450 hours*. That's significantly higher than competitive offerings. This results in fewer replacements and more value for money.

Crisp white beam
With up to 3700 Kelvin and an intense white light, Philips WhiteVision headlights illuminate the road ahead with a crisp white beam that eliminates darkness instantly. The premium beam for a premium driving experience.

Greater contrast, safer drive
Maximum white light in a position or stop application gives better contrast to distinguish your vehicle from others, so you can enjoy a more comfortable driving experience.

The car manufacturers' choice
For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in three worldwide is equipped with Philips lighting.

White Xenon effect
WhiteVision gives your car lights the premium look of high-end cars.
