Highlights

Trendy colourful design
Pick your trendy colour; canary yellow, party pink, ultraviolet purple, dragon green, electric blue or sunrise orange to enhance your daily pursuits of storing and sharing your data and hike up the fun factor

User-friendly protective cap
Never lose your cap again! The protective cap is integrated into the product design, so it will always stay attached to the USB stick. To bring it into use, you only have to turn the cap backwards, plug the stick in and play.

16 GB storage capacity
A useful 16 GB gives you the capacity to swap and share much larger or more files via the USB port of your PC or laptop.

Activity indicator
An appealing glow shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.

Fast data transfer USB 3.0
High-speed data transfer rates significantly cut annoying waiting time when you are copying large multimedia files to or from your computer's hard disk.
