Highlights

32 GB storage capacity
A useful 32 GB gives you the capacity to swap, share and save much larger or more files via the USB port of your PC or laptop.

Fast data transfer USB 3.0
High-speed data transfer rates significantly cut annoying waiting time when you are copying large multimedia files to or from your computer's hard disk.

Stylish USB design
A premium USB flash drive with high-glossy white body and completed with a glossy colourful metallic finish on the aluminium top cover, delivering superb protection for your valuable data and setting it apart from the ordinary.
